Dear Valued Patron:

Welcome to the Beverly Arts Center! We are a multifaceted organization building community through diverse, quality arts programming, education, and entertainment for all ages and levels. Through our professional theatre series, live concerts, Simmerling Gallery, and vibrant School of Fine Arts, we are making the arts accessible for the South Side of Chicago and our neighboring suburbs. You are our community, and we consider you a part of our family. Together we can keep the arts alive and affect positive change in the lives of as many people as possible.

Who is the Beverly Art Center?
We are a non-profit organization providing arts-enrichment programming to all of Chicago and the surrounding suburbs, dedicated to promoting diversity and inclusion. We employ 70 professional teaching artists in Dance, Music, Film, Theatre, and Visual Arts, helping sustain their careers in artistic pursuits and offering employment opportunities through our professional Theatre series, our upcoming Teaching Artist recitals, and our new Teaching Artist Gallery in the “Blue Room” across from the front desk.

We are also a community stakeholder, partnering with organizations such as the Beverly Area Planning Association, Beverly Arts Alliance, Chicago Children’s Choir, Morgan Park Juniors, the Chicago Symphony Orchestra, 19th Ward, South Side Irish Parade committee, DCASE, Pullman Arts, and many, many more. Our dynamic Outreach department partners with over 45 schools per year to provide arts-enrichment programming to over 12,500 students in elementary and high school. It is through this work that the Beverly Arts Center leads the way in promoting access to the arts.

Why is the Beverly Arts Center?
The why is you. We are here so a family can come see a matinee on a Sunday and participate in fun activities. So a child may pursue their dream of becoming the next Pablo Picasso, Misty Daniel Copeland, YoYo Ma, or Idina Mendzel. So a senior citizen can enjoy coffee and warm conversation on a Monday morning in our Bridge classes or stay physically fit in our Tai Chi and Chair Yoga workshops or so an adult after a long work week can get their hands dirty at a weeknight Ceramics workshop, enrich their lives at an evening of professional theatre, or blow off some steam at a live concert.

We are here for you.

Art happens here. Won’t you join us?

Matilda is a little girl with astonishing wit, intelligence, and psychokinetic powers. She’s unloved by her cruel parents but impresses her schoolteacher, the highly loveable Miss Honey. Over the course of her first term at school, Matilda and Miss Honey have a profound effect on each other’s lives, as Miss Honey begins not only to recognize but also appreciate Matilda’s extraordinary personality. The school’s mean headmistress, Miss Trunchbull, hates children and just loves thinking up new punishments for those who don’t abide by her rules. But Matilda has courage and cleverness in equal amounts, and could be the school pupils’ saving grace! Please email Anna Zordan with any questions at theater@beverlyartcenter.org.

When it Comes to Mental Illness, Looks Can Be Deceiving

Dad’s an architect; Mom rushes to pack lunches and pour cereal; Daughter and son are bright, wise-cracking teens. By all appearances, a typical American family. And yet their lives are anything but normal because mother has been battling manic depression and bipolar disorder for 16 years. Next to Normal takes audiences into the minds and hearts of each character, presenting their family’s story with love and sympathy through an energetic pop and rock score.

The play uses strong language and some adult situations. Parental guidance suggested.
